The Greek Green Diamond

100%
HELLENIC

EXTRA VIRGIN OLIVE OIL P.D.O. KALAMATA • Koroneiki Variety

“Diamond” is derived from the ancient Greek word αδάμας (*adámas*), which means proper, unalterable, untamed, overpowering.

Unique in its taste, with a bright emerald green color that lasts in time and rich in flavor, combining grassy and banana aromas, **Green Diamond** is as simple and complex as real diamonds are. This rare nectar originates from the famous region of Kalamata, Greece and is brought to surface with diamond lovers' passion.

A gift by gods embracing all the nature's wisdom, health and magic in small sparkles of light and taste, is now ready to fulfill the expectations of the most demanding consumers.

Like only a Greek Green Diamond could do!
